

V.R.A.L. RAJKIYA MAHILA MAHAVIDYALAYA, BAREILLY

PLAN OF ACTION AND ACHIEVEMENTS 2023-24

	PLAN OF ACTION	ACHIEVEMENTS/OUTCOMES
1	The academic activities will be conducted as per the instructions of the state Govt. and the affiliating University regarding the NEP-2020.	NEP implemented as per government and affiliating universities instructions and semester system adopted since 2020 at undergraduate level. This year NEP was implemented at post graduate level also.
2	To maintain eco-friendly environment efforts will be made to install solar panel.	Efforts were made to process the files. The decision will be taken at the level of Higher Education Department.
3	More efforts will be made to increase IT enabled classrooms.	Most of the classrooms are equipped with IT facilities.
4	Activities for environmental protection and awareness will be Organized.	Throughout the year several activities were organized by various units of the college for environment protection and conservation. Plantation program was effectively carried out as per the orders of the Govt.
5	Activities for cyber security awareness will be organized.	Cyber security is a major concern for state Govt. also. Hence a cyber security workshop was organized with the support of District Administration and several other activities were organized for the purpose.
6	More efforts will be made to make the campus safer for the students.	For safer campus proper arrangements of light in the college campus were made with the help of Nagar Nigam authorities. Wired fencing was arranged to keep the campus safe.
7	Students will be motivated to prepare for competitive exams and appropriate opportunities will be provided.	Students were motivated to prepare for competitive exams through Abhudaya Scheme of UP Govt. Abhudaya Coaching classes were also carried on by the District Administration in the college premises
8	Extensive collaborative activities will be promoted for academic betterment and personality development of student.	Various cultural, academic and sports activities were conducted in collaboration with other institutions of Bareilly. MOU's were effectively continued with Govt. College, Aonla, S.R.S. Girls College, Bareilly and Ganga Sheel Mahavidyalaya, Bareilly.
9	The faculty members will be motivated to enhance research-oriented activities.	In lieu with the motivational efforts for research activities few faculty members completed their research work and were awarded with Ph.D. degree, few faculty members were made research supervisors.
